

## Quality System Certificate

DGM – 515

This is to certify that the quality system of

**ONCOlog Medical QA AB**  
Vallvägen 4B  
S-756 51 Uppsala  
Sweden

fulfils the requirements in

**DS/EN ISO 13485:2003 + AC:2007**

The scope of the certificate is:

**Design, development, production, installation and servicing  
of oncology systems and related accessories**

The certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. The quality system certificate is issued pursuant to the DS Certificering A/S rules for the certification of quality systems for medical devices.
