

EC Certificate

DGM – 573

This is to certify that the quality system of

ONCOlog Medical QA AB

Vallvägen 4B
S-756 51 Uppsala
Sweden

has been approved in conformity with the requirements of

Annex II, section 3.2 - Full quality assurance system

of Council Directive 93/42/EEC concerning medical devices as amended and transposed into Danish law.

The scope of the certification is:

Design, manufacture and final inspection of oncology systems and related accessories in class IIb

The EC certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. This EC certificate is issued pursuant to the DS Certificering A/S rules for the certification of medical devices and entitles the certificate holder to affix the CE mark.
